The Hittite Empire – City of Hattusha

Grace Lutheran, The Rev. Andrew Borden

What happened to these people mentioned within scripture?

The beginning of “mention” for these peoples is in the time of Abraham, when he was a sojourner with his family after God encouraged the family in moving from the area of Ur in Sumer to Canaan as an invasion was immanent (and we now understand to have been the “Hill People” to the east of Ur).

The Hittites, Perizzites, the Rephaim, were present in the land the Hebrew people were residing within, the Hittites, however, the main power of the region.

For example, when Sarah dies, Abraham goes to the Hittites to request buying land (within their empire) in which to bury her and scripture indicates Abraham was respected “as a prince” and told to pick the choicest of tombs, whereupon Ephron the Hittite gives to Abraham a land a tomb.

SUMMARY: There are initially good relations with the Hittites within the land as respect for peaceful relations is modeled.

22. Joshua 9:1

The Gibeonites Deceive Joshua

The victories of Israel became known to all the kings west of the Jordan—in the hills, in the foothills, and all along the coastal plain of the Mediterranean Sea as far north as Lebanon; these were the kings of the **Hittites**, the Amorites, the Canaanites, the Perizzites, the Hivites, and the Jebusites.

23. Joshua 11:3

He also sent word to the Canaanites on both sides of the Jordan, to the Amorites, the **Hittites**, the Perizzites, and the Jebusites in the hill country, as well as to the Hivites who lived at the foot of Mount Hermon in the land of Mizpah.

25. Joshua 24:11

You crossed the Jordan and came to Jericho. The men of Jericho fought you, as did the Amorites, the Perizzites, the Canaanites, the **Hittites**, the Girgashites, the Hivites, and the Jebusites. But I gave you victory over them all.

The Hittite Empire as a “powerhouse” equal to Egypt falls in and about 1177 BCE with the fall of King Hattusili’s grandson; the writer, Eric H. Cline, indicates this point is the collapse of the old order of general civilization as outlined in his 2021 book, [1177 BC The Year Civilization Collapsed](#). The video we view for this segment alludes to internal strife as the result of the Hittite decline and aligns with the views of Cline.

The later discussions of Hittites in scripture are with the remnant groups who are dispersed amongst the Hebrews and others (Canaanites, etc.) living in the region, the Hittite groups not having “reign” over vast areas any longer.

26. Judges 1:26

[The man who helped the house of Judah get into the city of Bethel (formerly called Luz) later went to the land of the **Hittites**, built a city there, and named it Luz, which is still its name.

27. Judges 3:5

And so the people of Israel settled down among the Canaanites, the **Hittites**, the Amorites, the Perizzites, the Hivites, and the Jebusites.

28. 1 Kings 9:20-21

For his forced labor Solomon used the descendants of the people of Canaan whom the Israelites had not killed when they took possession of their land. These included Amorites, **Hittites**, Perizzites, Hivites, and Jebusites, whose descendants continue to be slaves down to the present time.

29. 2 Chronicles 8:7-8

Solomon employed at forced labor all the descendants of the people of Canaan whom the Israelites had not killed when they took possession of the land. These included **Hittites**, Amorites, Perizzites, Hivites, and Jebusites, whose descendants continue to be slaves down to the present time.

30. Ezra 9:1

Ezra Learns of Intermarriages with Non-Jews

After all this had been done, some of the leaders of the people of Israel came and told me that the people, the priests, and the Levites had not kept themselves separate from the people in the neighboring countries of Ammon, Moab, and Egypt or from the Canaanites, **Hittites**, Perizzites, Jebusites, and Amorites. They were doing the same disgusting things which these people did.

31. Nehemiah 9:8

You promised to give him the land of the Canaanites, the land of the **Hittites** and the Amorites, the land of the Perizzites, the Jebusites, the Girgashites, to be a land where his descendants would live. You kept your promise, because you are faithful.
