## **PASTOR'S COLUMN**

### **ENCOUNTER**

I love February, selfishly because it moves us closer to Spring ☺

Okay, maybe NOT the best reason, but it's out there now...

February is also a bridge month between Epiphany and Lent, the time the historic church taps-down on ALLELUIAS and traditionally becomes a bit more somber as we turn our attention to the last "days", the closing period of Jesus' earthly ministry, ending with his crucifixion.

I like Lent!

While the Alleluias are "buried" for the Lenten season, our services do not move to a pace of drudgery, even though there may be more of a contemplative focus.

The First Sunday in Lent will introduce us to psalm singing in a different way for that day. That first Lenten Sunday we will share in the Genevan Psalter tradition (part of the Reformed Church tradition). It will be like singing an elongated hymn whose lyrics tie in directly to scripture for the day. It is a more contemplative way to engage the Word as we step into this period of the church year.

Making time to encounter what God is working hard to share with us, to help our lives and us better witness outwardly, is key to helping our world become the best that it can be (helping bring about the Kingdom of God in the present).

The hearing of scripture, participating in singing/listening to song that is connected to

the texts, and praying with the body of believers in worship can feed the participants. With partaking of the Eucharist, we can feel renewed, refreshed and READY to get back out "there" in the world to represent Grace and Mercy and grow in our personal lives!

It's important for us to take stock of our feelings and impressions from walking the world in our sphere each day. And to process everything in a healthy manner means working through it all WITH God; praying, meditating, trusting in our being held *and* our listening/finding what God is working to communicate to help us.

Lent amplifies this a bit, which is a GOOD thing! So, come and "plug-on" with us in the Lenten journey as we travel *towards* the cross: us being readied to appreciate just what God in Jesus has done for us through the Incarnation!

In Christ ☧,

*Pastor Andrew*

## **2026 LENTEN MID-WEEK NEWS**

Each year we follow a preaching series for added focus during Lent on Wednesdays.

This year is no different that way: 5 PM Potluck Meal with some discussion on the topic, 6 PM Worship following the theme.

However, we will SHARE the first two Wednesday services with First Congregational Church of Auburn!

The first week, we will join together at Bethel for the potluck and the service. The second week we will go to First for a 5 PM potluck to be followed by the service.

The last three weeks we will be at Bethel while First will be at their place. This is Pr. Julie's and my way of introducing First to the shared worship experience that we enjoy more broadly with the Greendale Ecumenical Group.

## **ADULT STUDIES IN-PERSON @ BETHEL LIBRARY**

On a lot of Wednesdays at 2 PM, we have FUN, learn and share in our faith journey with each other during each series of material under consideration...and snacks usually show-up, too!

Moving into a new series, it seems fitting to think about the challenges our "humanness" can be in light of God's orientation, embodying Grace and Mercy; we have been created in the image of the plurality of God (the "our own image" of Genesis) so have some of the characteristics,

but don't really share the caustic side we can hold. This is a by-product of our "free-will".

Beginning February 28<sup>th</sup>, we will look at various Old Testament texts from the Egyptian sojourn of the Hebrew people through the reign of King Solomon. It's a swath of about 1,000 years that will reveal the challenges of our humanness even as God intervenes to Love us into better versions of ourselves. It will also shed light into the societal tendencies our times.

## **Social Ministry / Outreach**

*"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." ~ Ephesians 2:10*

Our Social Ministry/Outreach team has begun to plan activities for the 2026 season. Together with Emanuel Lutheran Church in Worcester and First Congregational Church in Auburn, Grace will be running meal lines with **End Hunger NE** on Sunday May 3<sup>rd</sup>. Our goal this year is to make 20,000 meals to be distributed to food banks locally and through Pastor Matthew Martin's outreach connections. There will be fundraising events to help raise the money needed for making the meals. Our team will be hosting a musical event, "Make a Joyful Noise" on Friday March 20<sup>th</sup>. This free-will offering event will include light refreshments and musical entertainment. All monies raised at this event will help fund the meal lines. Mark your calendars and plan on joining us for this event. More information to follow.

We have secured two dates with **Worcester Fellowship** for the 2026 season. We will be making lunches for their Sunday Worship Service which is held at All Saints Church in Worcester. We will be making lunches before our 10:30 Worship Service on May 31<sup>st</sup> and September 20<sup>th</sup>.

The need for non-perishable food items is ongoing, and we will continue our food gathering which will be delivered to the **Auburn Youth and Family Services Food Bank**. There is also a need for gently used winter clothing. With the cold weather, please be mindful of those who are homeless and food insecure. There are homeless care kits in the

Narthex for you to distribute to those in need. You may also wish to drop off food at any of the four **Woo Fridges in Worcester**. We will be planning a lunch making event in the near future.

The knitted hats, gloves and mittens which adorned our Christmas tree in the Narthex were donated and gratefully received by **Auburn Youth and Family Services**. Thank you to our talented **Knitwits** and home knitters for sharing your handy work.

Looking ahead to 2026, we will be working with First Congregational Church to bring back the **Auburn Walk for Hunger** in the fall of this year. A preliminary planning meeting is planned for early February at AYFS. More information to follow.

For our Lenten project we will once again be doing a collection of diapers and baby wipes which will be brought to **Marie's Mission Diaper Outreach Program**.

A special thank you goes out to an anonymous donor for their generous donation to our Social Ministry/Outreach Fund. Our team prayerfully discerns how our funds are used in reaching out to our neighbor in need. Thank you to all who help support our work.
